

## ALL FLOWERS

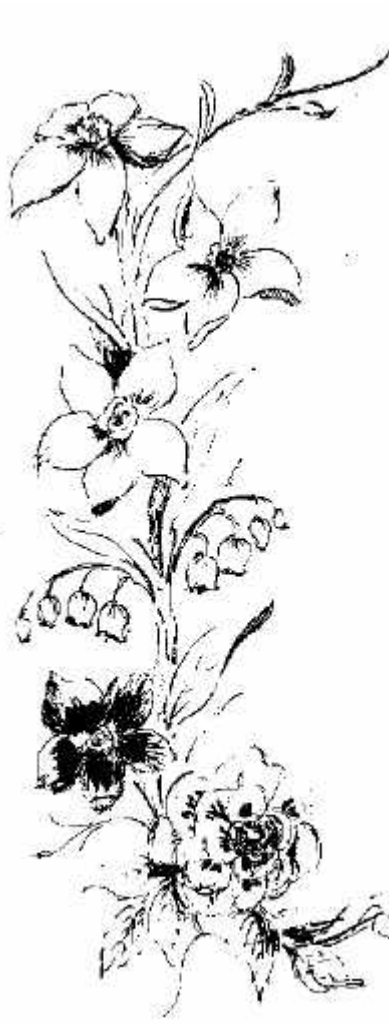

David Sparenberg

All tongues  
that have hymned God  
are beautiful.  
All places  
sanctified to the worship of One  
are beautiful.

All races  
all deeds done  
all faces that have shone with love  
shine  
and are beautiful.

Harsh world  
turn not away  
into the hour of adversity  
but flower  
into God's maturity.

All flowers...all flowering  
is beautiful.
