

## Another Life Force

Robert Allison Nevers

What led to every reformation,  
giver of knowledge and inspiration?

Passion

What gives to history her convolutions  
her saving solutions and constitutions?

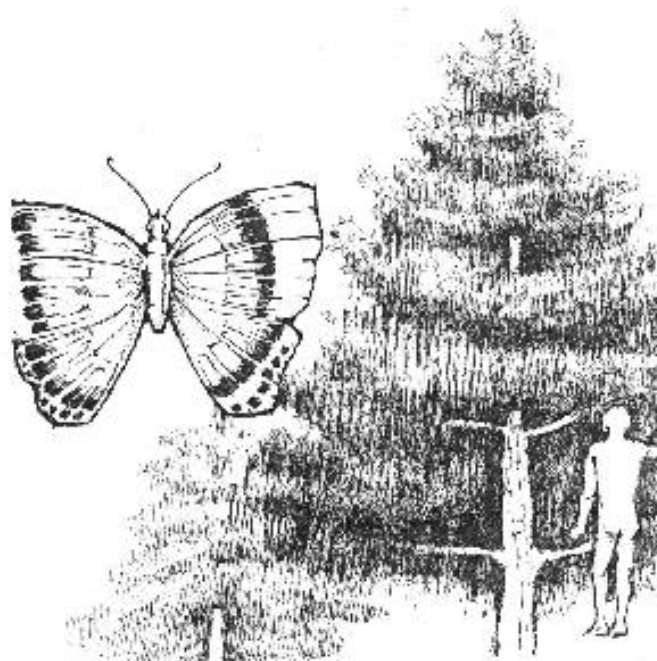

Passion

What gave man to wonder whether  
he could rise from fen or fin or feather?

Passion

What plants the seed of revelation,  
revamps the creed of man and nation,  
and pleads the needs of all creation?

Compassion.
